PERSONAL GIC AGREEMENT

PART I - TERMS AND CONDITIONS FOR YOUR PERSONAL GIC

Guaranteed Investment Certificates (GICs), also known as Term Deposits, are low risk investments that are well-suited for short-term savings goals and can also fit in with your long-term investment plans.

These terms and conditions govern the GIC. By signing the Personal GIC Application you accept the terms and conditions of this GIC Contract and the Personal GIC Application, including the GIC Details, which together make up the “GIC Contract.”

In order for us to facilitate your purchase of a GIC, you understand that, for operational purposes, you are required to hold a personal deposit account with us. The recommended deposit account to not incur a service fee is the Tru Essentials Chequing Account, which has no monthly fee and includes 12 free transactions per month. This personal deposit account is subject to separate terms and conditions, which can be found on our website or by contacting us in accordance with section 27 of this Agreement.

We operate under various divisional brands. Such brands do not impact your relationship with us, but you may have specific contact information, as set out in section 27 of this Agreement.

1. Interest

We will pay interest on this deposit from the Issue Date based on the interest rate stated in the GIC Details. We may pay interest on any remaining GIC balance at the original interest rate set out in the GIC Details. Interest is not paid on the GIC after the Maturity Date or redemption.

2. Non-Redeemable

If you have purchased a GIC that does not allow for Early Redemption (as specified in your GIC Details), you may still request a redemption before the end of the term. If you make such a request, it is up to us in our sole discretion to decide whether or not to grant it, in which case interest for the term of the GIC that has elapsed will be paid by us at the rate (if any) which we determine. Interest will not be paid on funds redeemed within thirty (30) days of the Issue Date.

3. Redeemable

If you have purchased a GIC that allows for Early Redemption (as specified in your GIC Details), we will require you to give us at least one (1) business days’ notice of the intention to redeem.

4. Interest Payment Frequency

Interest will be paid at the frequency noted in the GIC Details or, if no frequency has been selected, interest will be paid annually and at the Maturity Date in the case of a GIC for more than one year and will be paid at the Maturity Date only in the case of a GIC for one year or less.

5. Interest Payments

Interest payments will be paid using the method noted in the GIC Details or, if no payment method has been selected, we will choose a way to pay the interest to you.

6. Interest Rate Changes on Variable Interest Rate Term Products

For all GICs with variable interest rates, as indicated in the GIC Details, the interest rate will change automatically every time there is a change in our Prime Lending Rate. We will notify you of each change in the Prime Lending Rate by posting a notice in our place of business or on our Website.

7. Maturity or Early Redemption

On the Maturity Date or at the date of Early Redemption, we will pay the principal amount and any unpaid balance of interest (except where the funds are redeemed within thirty (30) days of the Issue Date) in the manner provided in the GIC Details section on the attached Personal GIC Application. Partial withdrawals will be subject to a minimum of \$500; at least \$500 in principal must remain on deposit after a partial withdrawal.

8. Renewal

If your GIC Details indicate that your GIC automatically renews at maturity, this section will apply to your GIC. You can change your maturity instructions at any time by contacting us at least four (4) days prior to the Maturity Date.

On the Maturity Date, we will renew a variable rate GIC into the same type of variable rate term, for the same term, if available, and a fixed rate term into the same type of fixed rate GIC, for the same term, if available, unless you provide us with different instructions before the Maturity Date. If the term into which your GIC Contract is to renew is not available at maturity, the GIC proceeds will be placed in a suitable account until further direction is received from you. The fixed spread to Prime Lending Rate (each as defined in your GIC Details) on the renewed GIC will be based on what we offer at the time of renewal and may not be the same as the fixed spread in your GIC Details.

For all renewals the rate of interest applied to the renewal will be the prevailing rate for the type and term of the renewed GIC at the time of the renewal. The new Terms and Conditions will be set out in the Renewal Confirmation which will be sent to the mailing address on record after each renewal.

Renewal Confirmations and other items are deemed to be received five (5) days after they are sent by mail. If there is more than one Depositor, items sent to the address currently on record will bind all registered holders.

If the maturity instruction for your GIC is automatic renewal, you agree that this GIC Contract and the Renewal Confirmation we issue you at renewal of such GIC will govern your renewed GIC.

9. Disclosure of Renewal Terms

If the payment instructions in the GIC Details include renewal at maturity, a notice will be sent by regular mail or electronically in the manner you have selected in your Personal GIC Application to your address or e-mail address (as applicable) as it appears in our records and will be considered received on the fifth (5th) day after mailing. You will be assumed to have accepted the renewal if we have not received written notice accepting or rejecting the renewal within thirty (30) days of the deemed receipt.

PART II - GENERAL TERMS AND CONDITIONS

10. Cancellation Policy

You have the right to cancel your GIC within ten (10) business days from the Issue Date, or within ten (10) business days from the start of the renewal date if the GIC was automatically renewed. In these events, we will return the Principal Amount only to your ordinary deposit account, but no interest will be paid during the period from the start of the GIC and the date of cancellation. You can make a cancellation request by contacting us at the toll-free number at section 27 or in person at a branch.

11. Termination

Regardless of any provisions in this GIC Contract about the renewal of your GIC, we have the right to terminate this GIC on the Maturity Date and, subject to any contrary instructions with respect to payment of this GIC in the GIC Details, we may transfer the amount of your GIC to a share account or a Personal Account where money deposited can be withdrawn by the accountholder(s) on demand, or we may mail a cheque in the amount of the Principal Amount and unpaid accrued interest to you. When we transfer or repay your GIC in the above manner, interest under this GIC Contract immediately stops accruing.

12. Amending Terms

We can change the terms and conditions of this deposit by giving you notice as required by applicable law. We will also tell you about the proposed change and how it might affect the interest you receive. The change will take effect on the Maturity Date. If we give you notice, and you do not withdraw the deposit on or before (if permitted) the Maturity Date, you will be considered to have agreed to the change of the conditions of this deposit as if you had signed an agreement to that effect, and on and after that date the conditions that have been altered shall be the conditions of the deposit.

13. Written Notice

Any notice we give you is considered given and received either when you actually get it, or if mailed to your last address in our records, five (5) days after mailing; if sent by email attachment to your email address for delivery, two (2) days after sending; and if it is a general notice for you and other GIC holders, thirty (30) days after posting in our branch or on our Website. Any notice you give us is considered given and received when we actually get a written notice at the branch where the GIC was opened.

14. Accepting Instructions in respect of the GIC; Communications

Once you have purchased a joint GIC, any Depositor can provide us instructions for the GIC, including redeeming it where permitted by the GIC Contract.

If the Primary Depositor wants to require all Depositors to give instructions together, it must notify us in writing at a branch.

In some instances, we may act on instructions from one Depositor even when you indicate in writing that all Depositors must give instructions together. These actions in connection with the joint GIC could include:

- (a) Receiving statements or other notifications from us.
- (b) Changing the contact information.

- (c) Giving us approval to receive certain electronic legal and regulatory notices.
- (d) Accessing information on the GICs, including any details before it became a joint GIC.

At any point and for any reason, we may require you or any combination of Depositors to confirm their instructions or origin of funds. This confirmation includes changes to the joint GIC's ownership, term, and a legal representative's use of the GIC.

We may communicate with any Depositor about joint GIC matters. We may send any notices, records, messages, alerts, cheques, drafts, or documents to any one of you, as we choose. If we do so, such communication will be binding on all Depositors. However, we will not do so when the law requires us to communicate with each of you.

15. Compliance with Laws

We will follow any laws, regulations, or orders that apply to the GIC or the interest on it, whether they are in force now or come into force that imposes on us a duty to take or refrain from taking any action in respect to the GIC or interest thereon.

16. Assignment or Transfer

We may, without notice to you and without your consent, sell, transfer, pledge or assign this GIC Contract or any part of our rights and obligations under this GIC Contract to an affiliate or a subsidiary of ours or to any third party. We may disclose your personal information to such affiliate or subsidiary of ours or third party, and to their agents and assignees. Upon such a sale, transfer or assignment, the purchaser, transferee or assignee will be entitled to enforce all of our rights under this GIC Contract and to re-sell, re-assign, pledge or re-transfer this GIC Contract. We will also be entitled at any time to repurchase this GIC Contract whether or not you are in default.

Unless we agree otherwise in writing, you cannot assign or transfer this deposit, either absolutely or by way of security, to anyone other than us. If we agree to an assignment or transfer, you will need to give us this GIC Contract along with a form of assignment or transfer that we approve. We will either endorse this contract with the details of the assignment or transfer or issue a new GIC Contract in the name of the assignee or transferee. All assignments will be subject to our pre-existing rights of set-off and will come after any security position we, our subsidiaries, or affiliates have, unless we specifically give up those rights.

17. Successors and Assigns

The terms and conditions of this GIC Contract will be for our benefit and will also bind our successors and assigns and will benefit you and will also bind your heirs, executors, administrators, successors, and permitted assigns.

18. Singular Includes Plural

Whenever the singular is used in this contract, it also includes the plural.

19. Other Agreements

There are no representations or warranties made by us to you about this GIC Contract, except for what is specifically written in the GIC Contract or the Personal GIC Application. Any advice, information, or statements we, our service providers, agents, or representatives give you, whether spoken or written,

will not create any representation, warranty, or condition or vary or amend this GIC Contract, and the Depositor may not rely upon any such advice or information.

You agree to provide the requested information in a timely manner.

21. The Law that Applies

This GIC Contract is made under the laws of the Governing Jurisdiction. This means that if we ever disagree about anything in this GIC Contract or the GIC and we have to go to court, it will be a court in the Governing Jurisdiction and the court will follow the law of the Governing Jurisdiction and not any rules of private international law or the conflict of laws which would lead to the application of any other laws.

22. Invalid or Illegal Sections

If we go to court for any reason and the court decides that one part of this GIC Contract is not valid or is against the law, we will act as if that part of the GIC Contract was never in the GIC Contract and the rest of the GIC Contract will continue to apply without being affected by the removal of the part that was not valid or is against the law.

23. Not Giving Up our Rights

If we are allowed to do something under this GIC Contract, but we choose not to do it, this does not mean we have given up our right to do it again in the future. Even if we allow you to do something under this GIC Contract that you are not allowed to do or we decide that it was okay that you did something that you were not allowed to do, this does not mean that we have given up our right to insist that you comply with the GIC Contract the next time you do something under the GIC Contract that you are not supposed to do.

24. Privacy

PART IV - DEFINITIONS YOU NEED TO KNOW

Here are the definitions for some of the words we use in the GIC Contract. When we use these words in the terms and conditions, they will be capitalized. We have also included section headings to help you along the way. The headings are not part of the terms and conditions and do not impact what the terms are, how they apply, or what they mean. They just make this document easier to read and make finding the rules that apply to a topic easier for you to find.

“Deposit” means the amount of your deposit into a GIC is subject to any minimum or maximum amount as required by us.
